Is it 2008 all over again?

**The answer will surprise you – and it could ruin
or rescue your retirement plans...**

Saturday, August 27, 2011

Dear Battered Investor,

So, are we out of the woods? Or is this 2008 all over again?

In one CRITICAL respect -- I discuss it in the enclosed video presentation -- the answer is a resounding YES. **This is EXACTLY like 2008 -- and we must be prepared.**

You received this email because you are a valued Motley Fool reader who has expressed an interest in growing and protecting your wealth -- and has been impacted by the historic market volatility. I think you'll find it useful in these stressful times...

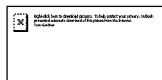

That's why I'm reaching out to you on a Saturday -- with a unique solution custom-made to help you navigate this pivotal point in market history. Though be aware... this presentation *and opportunity* will go offline soon -- at 11:59 p.m., Tuesday, August 30, 2011 at the very latest -- **and as early as TODAY.**

If you are in the path of Hurricane Irene, please be safe. People come first. If you're looking a unique solution to defend your wealth and help you sleep at night in these challenging times, take a moment to watch this time-sensitive presentation right now.

I think you'll find it useful.

Foolish best,

Tom Gardner
Co-founder, The Motley Fool

P.S. The language in the presentation may seem overly familiar. It was prepared for Motley Fool premium members. Given the uncommon threats posed by this market, we're extending this opportunity to a very small number of investors from the broader Motley Fool community at the end of this presentation. However, **we can only accept the FIRST 200 who respond** -- on a first-come, first-served basis.
